

4 Reasons To Reconsider Your Modular Enclosures

1. Made in the USA

Our major competitor does not manufacture in the US anymore. But, Rittal manufactures 500+ modular enclosures a day, in Urbana, Ohio.

2. No assembly required

Complete configurations ship, assembled, in 10 days.

3. Costs LESS than the Old Gray Box (OGB)

Rittal's automated production processes reduce per piece costs.

4. Flexible design

Increased value and options for you.
